

ISAPP invites you to apply for the inaugural

EARLY CAREER SCIENTIST RESEARCH PRIZE 2021

ISAPP is a nonprofit organization dedicated to advancing scientific excellence in probiotics & prebiotics.

In the research fields of probiotics, prebiotics, synbiotics, postbiotics or fermented foods.

The applicant should be a masters, doctoral or medical student, postdoctoral researcher or early career technician or a researcher with fewer than 5 years following their terminal degree. The applicant can be an individual or a team led by an early career researcher.

Applicants are judged using the following criteria as applied to research in probiotics, prebiotics, synbiotics, postbiotics or fermented foods:

- a significant research finding and its publication(s), to which applicant contributed substantively

- major conference presentation(s)
- new ideas that advance the field
- evidence of impact through citizenship, general outreach, social media, citations, etc.
- ground-breaking dissertation

Award: A plaque, speaking slot at the annual ISAPP meeting, travel award to the ISAPP meeting (if held in person) and an unrestricted cash prize (\$1500 USD).

Application Deadline: April 30, 2021
